

2024 CSIR Bursary Opportunities!!

The Council for Scientific and Industrial Research (CSIR) will be visiting the **Nelson Mandela University** to address students about the CSIR Bursary opportunities for the 2024 academic year.

All interested Science, Engineering and Technology students who are registered or intend to register for **Undergraduate/Postgraduate Diploma/Honours/4th year Engineering/Masters or PhD** studies in **2024** are invited to attend.

Some of the supported areas of studies are provided below:

Science	Engineering	Technology
Biotechnology	Electronic Engineering	Information System
Chemistry	Electrical & Computer Engineering	Information Technology
Physics	Rock Engineering	Computer Science
Applied Mathematics	Civil Engineering	Information Systems Management
Statistics	Electronic and Electrical Engineering	Data Science
Mathematical Statistics	Computer Engineering	Software Development
Epidemiology & Biostatistics	Mechanical Engineering	Cybersecurity
Biological Sciences	Chemical Engineering	Artificial Intelligence
Biochemistry	Mechatronic Engineering	Data Modelling and Machine Learning
Material Science	Aeronautical Engineering	Bioinformatics
Geophysics	Mining Engineering	
Pharmacology	Environmental Engineering	
Microbiology	Systems Engineering	
Physiology	Software Engineering	
Agricultural Science	Engineering Geology	
Pathology & Forensic Medicine	Industrial Engineering	
Nutrition	Metallurgical Engineering	
Biokinetics and Sport Science	Biomedical Engineering	

Synthetic biology		
Precision medicine		
Molecular biology		
Environmental Science		
Biomedical Science		
Indigenous Knowledge Systems		

Date : 15 August 2023

**Venue : Council Chambers
Main Building, 1st floor
South Campus**

Time : 09:00 am
