

Call for SARAQ Bachelor and Diploma in Engineering Technology Scholarships Applications for the 2025 Academic Year

SARAQ is pleased to announce that the calls for **new applications** for NRF-SARAQ Bachelor in Engineering Technology and Diploma in Engineering Technology Scholarships for the academic year 2025 are now open.

BEFORE completing an application template for SARAQ Bachelor and Diploma in Engineering Technology Scholarship, please read the SARAQ Application Guide available

at <https://www.saraq.ac.za/students/funding> .

All eligible students **MUST** apply on NRF Connect
at: <https://nrfconnect.nrf.ac.za/>.

NB: In the application category section, applicants must select Grants: SARAQ Bachelor in Engineering Technology or SARAQ Diploma in Engineering Technology.

Closing Dates for Applicants

- Each university of technology will set its own internal closing date for applications.
- Find out the closing date for the university of technology where you intend to register for your degree/diploma, and ensure you submit your application on, or before that date.

SARAQ Bachelor and Diploma in Engineering Technology Scholarships Application Closing Dates:

- Applicant Closing Date: 27 September 2024
 - DA Closing Date: 10 October 2024

**For NRF-SARAO Bachelor and Diploma in Engineering Technology

South African Radio Astronomy Observatory

Diploma in Engineering Technology Scholarship Programme

Call for Applications for 2025

Application Guide

Read this guide carefully before completing an application form

1. Eligibility for a SARAQ Diploma in Engineering Technology (DET) Scholarship

The South African Radio Astronomy Observatory (SARAQ) will accept applications from:

- 1.1 South African citizens and permanent residents.
- 1.2 Students who are 24 years old, or younger.
- 1.3 Students who wish to study, or are studying, towards one of the following diplomas:
 - Diploma in Engineering Technology: Electronics, or
 - Diploma in Engineering Technology: Mechanical
- 1.4 Students who have achieved a minimum of 60% in Mathematics and Physical Science in Grade 12, or a minimum average of 60% at an undergraduate level.
- 1.5 Students who are currently registered for a DET, must have passed all the courses, including the core engineering courses, required in order to progress to the next academic level/year.

2. Structure and Value of SARAQ Diploma in Engineering Technology Scholarship in 2025

2.1. The duration of a SARAQ DET scholarship is:

- 2.1.1. Three years for first-year students
- 2.1.2. Two years for second-year students
- 2.1.3. One year for third-year students

2.2. The Diploma in Engineering Technology scholarship for 2025 is R155 000. However, this scholarship value may be adjusted to consider changes in university fees and inflation.

3. Conditions of Award of a SARAQ Diploma in Engineering Technology in 2025

- 3.1. Students are required to submit proof of registration at their university of technology, to SARAQ. No funds for a scholarship will be released until SARAQ has received the proof of registration.
- 3.2. A scholarship from SARAQ is renewable every six months, for the duration of the scholarship, at the sole discretion of SARAQ, and is subject to satisfactory academic performance by the student. Students must achieve a minimum of 60% average in each semester. Students who do not obtain a minimum of 60% average may not receive further funding from the SARAQ.
- 3.3. Students who do not obtain the diploma for which the scholarship was awarded, relinquish their studies, or leave the tertiary institution during the period for which the scholarship was awarded, will have to refund all payments of the scholarship already received.
- 3.4. Students are allowed to hold supplementary grants, during this scholarship, to a maximum of 50% of the SARAQ award, but he/she must inform the SARAQ via his/her university of technology, of such awards.
- 3.5. If a student wishes to change his/her field of study, or the University of Technology, for which the scholarship was offered, he/she must provide a motivation to SARAQ for approval, prior to any changes. SARAQ is under no obligation to continue support if the changes do not align with the original criteria on which the scholarship offers was made.
- 3.6. On completion of the studies supported by means of an SARAQ scholarship, students are required to submit a copy of their diploma to SARAQ.
- 3.7. On completion of their studies, students are required to accept employment with SARAQ, for a period of three years, if employment is offered to him/her. This condition may be waived for a student, at the sole discretion of SARAQ, and following the submission of a motivation from the student.

4. Application Process and Important Information

- 4.1. Application forms can be found online at <https://nrfconnect.nrf.ac.za>
- 4.2. The closing date for applications will be set by the universities of technology. Check with the university of technology where you intend registering for a DET, for their closing date, and ensure you submit your application on time.
- 4.3. No late or incomplete applications will be accepted.
- 4.4. Successful applicants will be notified by 10 December 2024. If you have not heard from SARAQ by 10 December 2024, please assume that your application was unsuccessful.
- 4.5. SARAQ reserves the right not to accept any application in part or whole. The decision of SARAQ is final and no correspondence will be entered into after the decision.
- 4.6. **NB! The following documents MUST be attached to your application.** Your application will not be considered if any of the required documents are not attached
 - 4.6.1. A copy of your RSA Identity Document.
 - 4.6.2. If you are in Grade 12, attach a copy of your final Grade 11 results as well as a copy of your most recent Grade 12 report.
 - 4.6.3. If you are currently registered for a DET, attach a copy of all your university of technology results.
 - 4.6.4. Two letters of reference; of which one must be from a teacher/lecturer.
 - 4.6.5. A motivation in the application form in which you:

- a. Describe your achievements to date, explain why you have chosen to study a DET, when and why you became interested in engineering, the engineering skills you have acquired to date, and what your career aspirations are.
- b. If you have a toolbox at home, what is in your toolbox, and which tools would you like to have in your toolbox.
- c. In your own words, explain the following:
 - What is engineering?
 - The attributes you think are most important for an engineer?
 - The work of the South African Radio Astronomy Observatory (SARAO), and why an organisation such as SARAO needs engineers?

NB: Enquiries may be directed to SARAO at mjodwana@sarao.ac.za

South African Radio Astronomy Observatory

Bachelor in Engineering Technology Scholarship Programme
